

Name:

Equal Sets

FACT: An equal set has the same objects and the same number of objects.

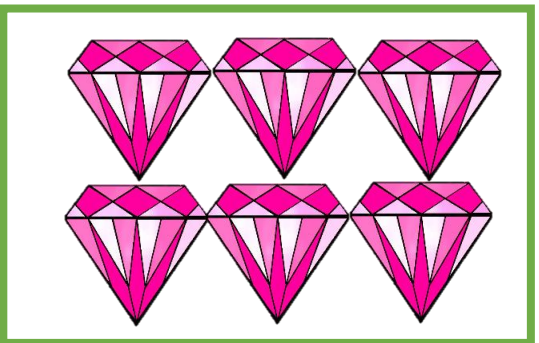

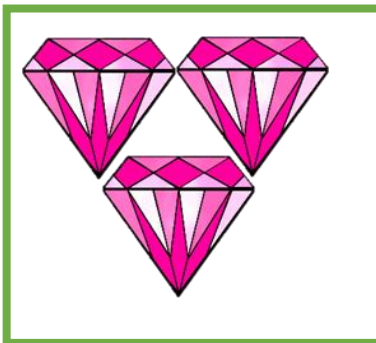

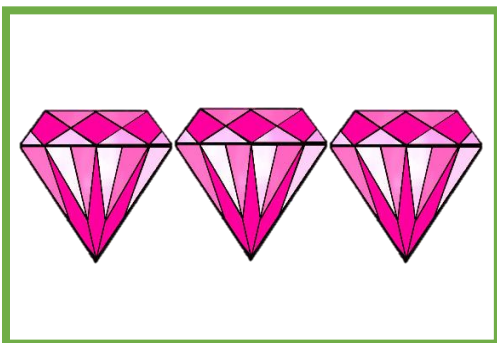

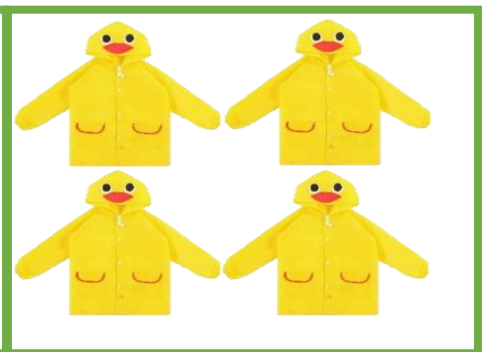

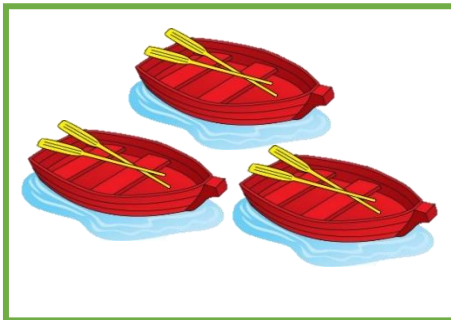

Instruction Place a tick in the box if the sets in the row are equal.

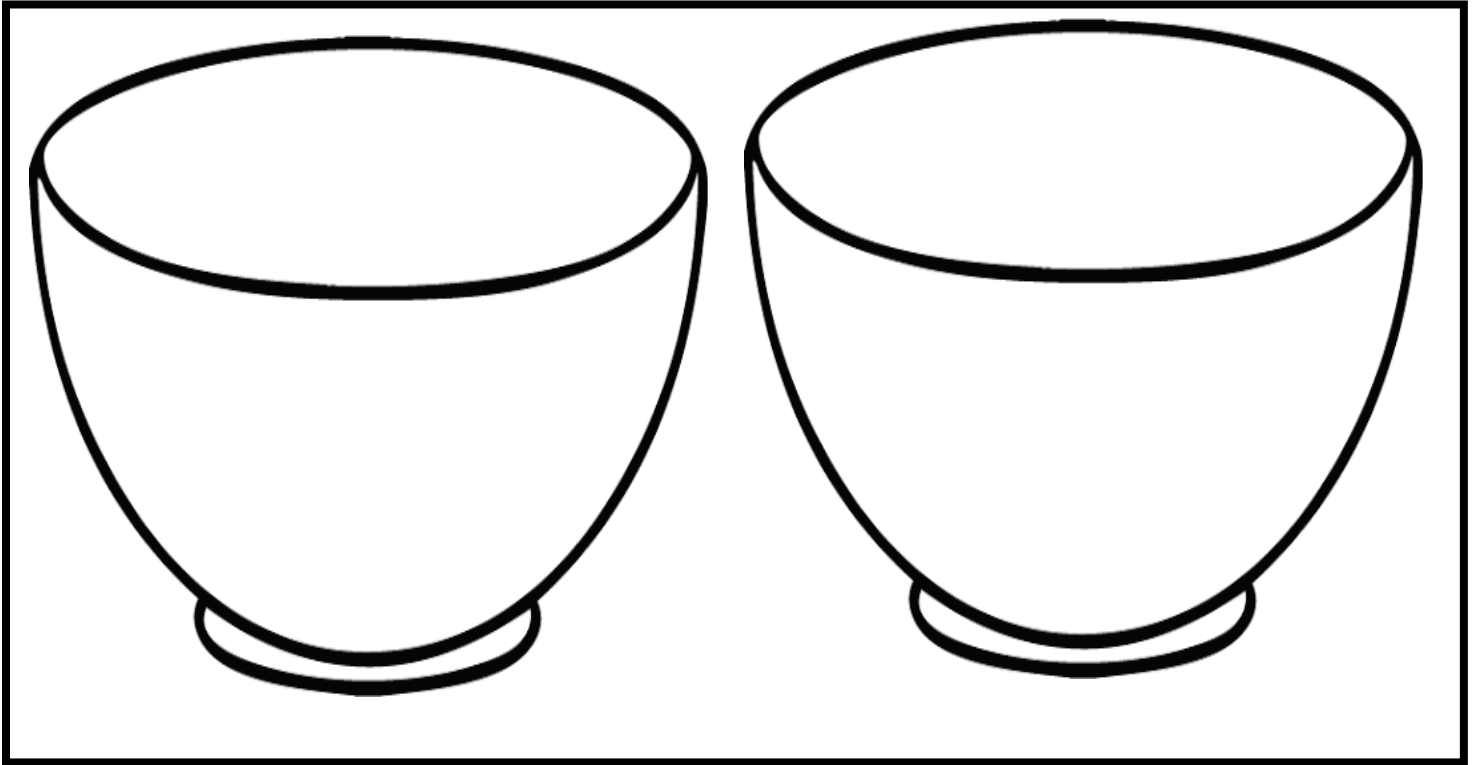

Name:

Instruction: Circle the set that has an equal number of objects as the set on the left.

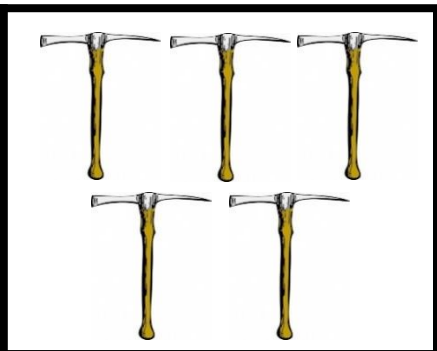

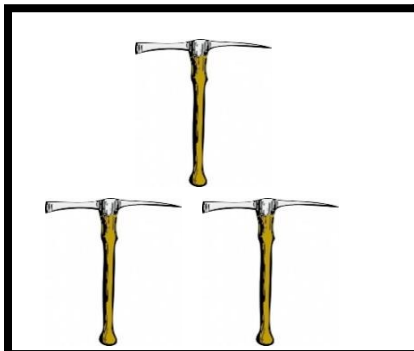

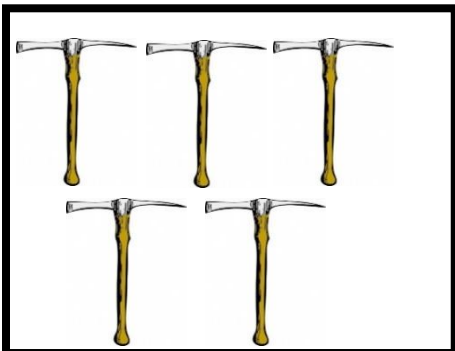

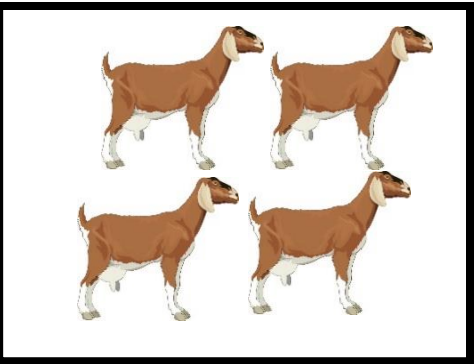

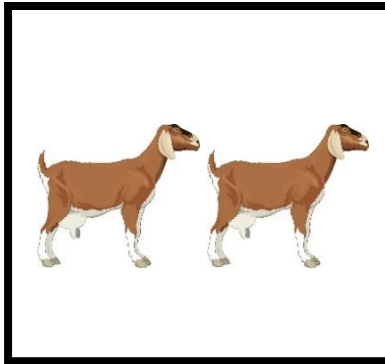

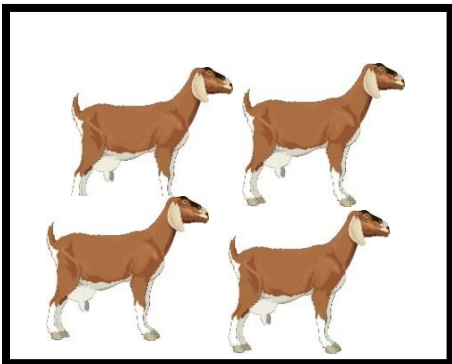

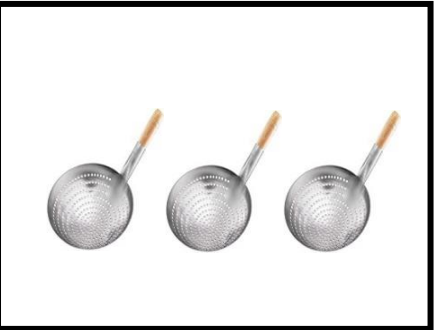

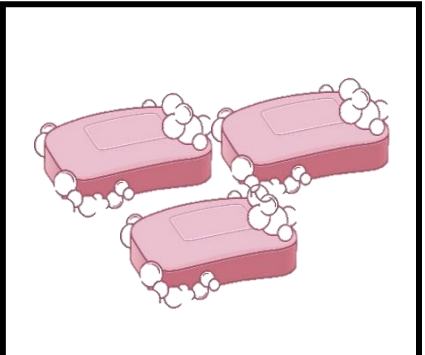

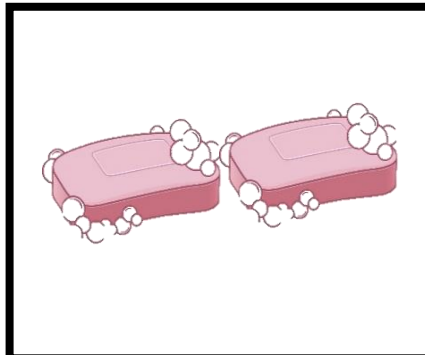

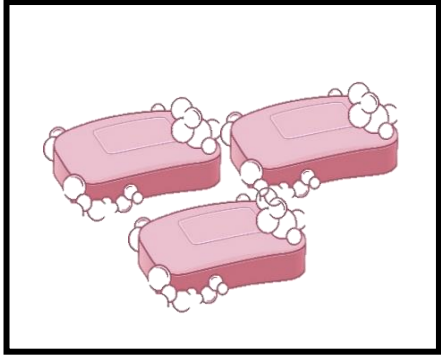

Name:

Instruction: Cut and paste the fruits and vegetables in the bowls to make equal sets.

Name:

Instruction: Look at each row of objects. Put an x on the set that does not belong.

Name:

Instructions: Look at the sets. Complete the sentence by writing the correct numerals in the boxes.

There are containers with pencils each.

Instructions: Count the crayons in the box. How many did you get? Draw crayons in the empty box to make an equal set.
