WEEK 3**

TOPIC: OUR COMMUNITY NEIGHBOURHOOD AS COMMUNITIES

NAME: _____

DATE: _____

FACTS/TIPS:

The leader and councilors make up a town council or village council. The council maintains the development of the community by employing workers to:

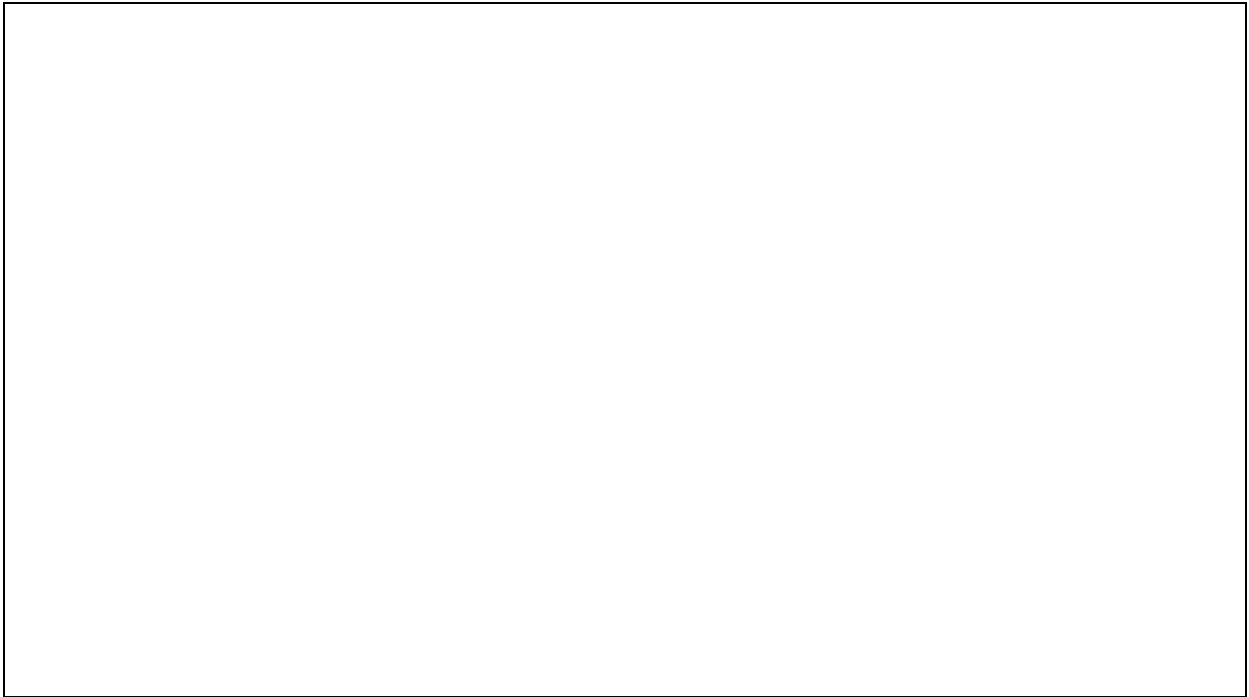

- collect garbage
- trim trees
- clean drains and canals
- repair roads and dams
- cut grass
- maintain markets, community centers, bridges

Community members must also help to care the community by:

- taking care of their yards, fences and buildings
- cleaning the drains
- disposing garbage properly

ON YOUR OWN

Draw a picture showing how community members take care of their personal surroundings.

HOME WORK:

Write a sentence to tell how you care for your community.
